

AMENDMENT TO CHARTER CONTRACT OF BREAKTHROUGH CHARTER SCHOOL

Pursuant to the vote of the Alabama Public Charter School Commission at its May 13, 2024 meeting, the Charter Contract of Breakthrough Charter School (“Breakthrough”) is amended, effective May 13, 2024, to authorize Breakthrough to acquire and operate a second school location on the campus of Judson College, 302 Bibb Street, Marion, Alabama 36756. Breakthrough is authorized to seek approval from the Alabama State Department of Education (“ALSDE”) for an additional cost center related to said campus; however, Breakthrough understands and acknowledges that whether it is approved for said cost center is a matter within the discretion of the ALSDE and that, at a minimum, Breakthrough must satisfy the ALSDE’s guidelines for cost center approval, including, without limitation, the ALSDE’s enrollment threshold, financial capacity, and timing guidelines. If and when approved by the ALSDE for an additional cost center, each campus of Breakthrough will be evaluated both individually by the Commission and collectively across all campuses under Breakthrough’s charter using the measurement of academic achievement expectations and goals outlined in the school’s performance framework.

The implementation of this contract amendment, including the opening of a second school campus, is subject to the following conditions:

1. Breakthrough shall meet all requirements for safety related to its second campus as required by the ALSDE;
2. Breakthrough will provide the Commission with a copy of all documents related to the facility located on the campus of Judson College, 302 Bibb Street, Marion, Alabama 36756;
3. Breakthrough must demonstrate that it has the financial and operational capacity to operate a second campus. A failure to make such a showing shall grant the Commission the authority and discretion to delay or prevent the opening of Breakthrough’s second campus.
